

## GREAT CLIPS® is a Great Value

By Jennifer Ball

If you are like me, you are always trying to find ways to save both time and money. Between working outside the home, taking the kids to ball games or gymnastics, grocery shopping and juggling a variety of other everyday tasks, it's hard to find time for yourself. Just ask Jeff and Janie Lehman, Hudson residents for the past 13 years, proud parents of eight-year-old twins Jack and Maggie, and owners and operators of Great Clips® located in the Acme Plaza.

Jeff, a former practicing attorney and sales and marketing representative, currently serves on the boards of both Hudson Library and Historical Society and the Merchants of Hudson Association. His wife Janie, formerly the Executive Vice President at National City Bank and past Board President for Goodwill Industries of Cleveland, is currently President of the Foundation Board for Fieldstone Farm Therapeutic Riding Center. The Lehmans are also actively involved in fundraisers for the Hudson Library, Hudson Newcomers Club, Hudson Community Foundation, Hudson First Foundation, Seton Schools, Hudson PTO, First Congressional Church of Hudson and Hudson Kiwanis – just to name a few. Given their combined professional backgrounds and ongoing commitment to community service, Jeff and Janie desired to foster a business in Hudson and their mission was to open Great Clips® salon as a way to become increasingly involved in, and give back to, the Hudson community.

In addition to supporting the community, the Lehmans have opened a business that provides real value to Hudson. Great Clips® is the largest hair care brand in the country with over 2,700 locations and stylists each with an average of 2,000 hours of prior and ongoing training – just like stylists in full service salons; the only difference is their prices (\$13 adults and \$11 for seniors over 65 and children under 10). When

asked what makes Great Clips® successful Jeff said, "One of the biggest differences between our salon and other salons is that you never need an appointment to get a great cut or style; we work to schedule our staff for your convenience". (Monday-Friday 9-9, Saturday 9-6, and Sunday 10-5).

Great Clips® specializes in haircuts, shampoos, styles, perms and body waves. Satisfaction with both service and products are guaranteed. The Salon carries Matrix/Biolage, American Crew, Joico, Redken and Great Clips' own proprietary brand among others. The Lehmans are also finding an increasing number of women who are coming into their salon... "whether they work outside the home or not, their time is valuable. Our clients can come in a get a shampoo and cut/style – quickly without being rushed – and at an extremely affordable price."

So, if you are driving around town, running short on time, happen to catch a glimpse of yourself in the rear-view mirror and realize you really should do something to your hair, stop in at Great Clips®. Your satisfaction is guaranteed and you can tell them Newcomers sent you!

Great Clips® of Hudson is located in the Acme Plaza, next to Panera Bread. For more information call (330) 653-3090 or visit their website at [www.greatclips.com](http://www.greatclips.com).
